Rockface Sill

- Ledgestone Collections are packaged for tight fit installation.
- All other collections packaged using a 1/2" mortar joint.
- Fond du Lac Natural Stone recommends a thin set mortar meeting ANSI 118.15 on any exterior tight fitted joint installation.
- Images shown in this catalog are intended to be as accurate as depictions of color and texture can be on the printed page. Because Fond du Lac Natural Stone produces a natural stone product, shades may vary.
- For best results of color and texture, work from as many packages as possible.

Warranty

Fond du Lac Natural Stone backs its products with a 50 year warranty. Use the QR Code to read the details.

Envision

Explore our new seamless texture visualizer, ENVISION, powered by Renoworks! Instantly see how our natural stone products will look on a home or building – BEFORE making a final decision.

Why This Changes Everything

- Upload a photo of the home or building (ex. interior, exterior, fireplace, chimney)
- Try different stone textures and colors in seconds
- View realistic, high-quality renderings
- Make confident design decisions

Designed for Homeowners, Built for Dealers, Contractors & Designers

- **For homeowners:** Envision your project with stunning realism and find the perfect look.
- **For dealers, designers, & contractors:** Use this powerful tool to guide customers, shorten decision time, and increase close rates.

Launch Envision: **https://fdlnaturalstone.renoworks.com/**

Design & Detail Recommendations

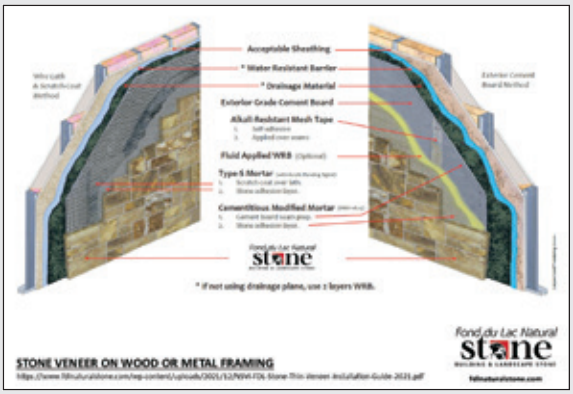

Information on the proper design and detail of the backup structures and other design information for Fond du Lac Natural Stone can be found in the 2022 TMS 402/602-22 Building Code Requirements and Specifications for Masonry Structures.

Installation Instructions

Installation guides, videos, cleaning instructions and corner installation for Ledgestone and Dimensional Ledgestone can be downloaded from our website in PDF format. We also offer a Video Tutorial showing the application of our natural thin stone veneers at: **https://youtu.be/e-XF7676eow**

Detail Drawings

Detailed drawings for Fond du Lac Natural Stone application on a variety of surfaces can be found at: **https://www.fdlnaturalstone.com/architects-specifications/**

Stone Veneer on Wood or Metal Framing
